

## The Spiritual Warrior

A Spiritual Warrior is IMMORTAL when her heart does not know or feel fear.

A Spiritual Warrior is ETERNAL, when she accepts that her humble steps and kind words carry the strength of a Celestial Army.

A Spiritual Warrior knows the composure of her being when she gives thanks and offers blessings from the center of her Heart.

A Spiritual Warrior takes the opportunity of serving in a clear form, in a concrete form...with the most complete devotion and when the most complete endurance of her Being is demanded.

A Spiritual Warrior is someone who has surrendered to her Higher Self and in the Lands of the Garden of Her Life, silently grows the most precious flowers... in a garden containing all the beauty of the world.

In the silence of her presence, everything becomes eternal  
In this eternity, everything becomes humble

In this humbleness, the Spiritual Warrior acquires the Divine Endurance to never say again, *"Something is missing from within me and my life"*

A Spiritual Warrior always recognizes that she possess everything... she has a strong body, a clear mind and an open heart to ask for everything from Heaven and to accept everything from Heaven.

A Spiritual Warrior walks the Path of Life with Heart and Compassion.

A Spiritual Warrior facilitates the manifestation of Heaven on Earth

...IN ALL PLACES...AT ALL TIMES

The purpose of this document is to first share this wonderful statement.

Second, to allow you to feel these words in your Heart.

The passion that moves within you now is confirmation of your Affinity to the Path of a Spiritual Warrior.

*“... when something on the outside gently and inspirationally moves the Heart inside,  
this is confirmation of an Affinity.*

*Affinity is simply recognizing that which already exists within.”*

During these post-pandemic times... it may seem sometimes impossible to find anything positive in life. With many paradigms broken, at times it seems that we are surrounded by negativity.

It is precisely at this moment... that the best and most correct action to take is to find an activity that involves serving another... serving is manifesting goodness... this is Manifesting Heaven on Earth.

*It is through service that we can reconnect with the Passion of the Spiritual Warrior*

Do not believe in these words... test them... and take the leadership challenge and find an activity of service.

These words come from Saint Guan Yu by means of the Flying Pencil of Lu Tung Bin.

Do not believe the source... again, test these words... volunteer in an activity of service.

Your results will spark in you the Passion of the Spiritual Warrior.

After you see the positive results... know that Certainty far out-weighs mere Belief.
